Read the following story and answer questions 1 to 3.

There was a grocery shop in a town. Plenty of mice lived in that grocery shop. Food was in plenty for them. They ate everything and spoiled all the bags. They also wasted the bread, biscuits and fruits of the shop. The grocer got really worried. So, he thought ""I should buy a cat and let it stay at the grocery. Only then I can save my things.””

He bought a nice, big fat cat and let him stay there. The cat had a nice time hunting the mice and killing them. The mice could not move freely now. They were afraid that anytime the cat would eat them up.
